**The staff of
Hotel ISG Heidelberg**

In eigener Sache – ein Hinweis auf die Gestaltung des Hauses...

Die Interessen des Hoteleigentümers und des Mieters, dem Europäischen Laboratoriums für Molekularbiologie EMBL – zudem das Hotel ISG seit mehr als 30 Jahren gehört, waren identisch: Man wollte eine einfache, aber stilistisch ästhetische Unterbringungsmöglichkeit schaffen. Daher lag es nahe, das Hotel ISG im Stil des Bauhauses zu renovieren und einzurichten.

Das Bauhaus wurde 1919 von dem Architekten Walter Gropius gegründet und beeinflusste so unterschiedliche Bereiche wie Architektur, Malerei, Weberei, Photographie, Einrichtung und Gebrauchsgegenstände. Klare Linien, Verzicht auf Dekor und die Verwendung der Grundfarben Rot, Blau und Gelb sind Merkmale dieser Kunstrichtung.

Als aufmerksamer Gast werden Sie viele Momente bemerken, die an die Jahre des Bauhauses und deren Meister erinnern.

Durch den zeitlosen Charme der Einrichtung und den sehr persönlichen Service ist das Hotel ein beliebter Anlaufpunkt für Besucher des EMBL, Geschäftsreisende und Touristen. Das Hotel wird in regelmäßigen Abständen modernisiert, ohne den familiären und traditionellen Stil zu verändern.

A reference to the design of the Hotel ISG ...

The interests of the hotel owner and the tenant, which is the European Molecular Biology Laboratory - EMBL - which has been using the hotel ISG for more than 30 years, were identical: They wanted to create a simple but aesthetic alternative to the many common options for accommodation. So it was natural to renovate the Hotel ISG in the Bauhaus style and set up.

The Bauhaus style was created by the architect Walter Gropius in 1919 and influenced the design of as different areas as architecture, paintings, textiles, photography, furniture and everyday items. Clear lines, high functionality and the use of the solid colours red, blue and yellow are characteristic of this style.

Due to the timeless charm of its furnishing and to the personal service, the hotel is very popular with EMBL visitors, business people and tourists. The hotel is modernised on a regular basis but has not lost its original charm of family and tradition.
